Dear Colleagues,

It is with great pleasure that I am asked to write a letter of recommendation for Dr. Cools. Over the past four years I have enjoyed a close working relationship and shared many patients with Dr. Cools at the Evergreen Center for Integrated Health, here at the Suttons Bay Medical Clinic. He has shown great knowledge and excellent clinical skills in regards to his practice of acupuncture, medical massage, herbal and homeopathic remedies and addiction therapy. He has been punctual in regards to his schedule and clinical communication following patient care. He has excellent interpersonal skills and is highly regarded by his patients and our staff.

It is without hesitation that I would highly recommend Dr. Cools as a provider in your Health Center. Please call if I can be of any further assistance.

Respectfully yours,

Thomas Lammy M.D.
